Found Dog

We would like to express our thanks to all villagers who went the extra mile in looking for Lottie a charming dog from Luxembourg that was visiting us over Christmas.

The way the Hinton St Mary Community came together to find Lottie the escape artist was amazing. Luna & Sharon from the White Horse walked miles as did many other Villagers in the search but the star of the show & the fantastic citizen award should go to Rachel the midwife for her detective work that would have impressed Hercule Poirot; Rachel used Facebook to find that Lottie had been handed into Friars Moore Vets by a resident of Stur & rang to let us know. We hope that the Police Traffic Safety team did not record Celia's car speed on the way to collect Lottie! To find that the dog was Lottie brought indescribable joy & relief. Lottie was in fine form & spent the evening relaxing in front of a log fire after sprinting from Hinton to Stur in a time that Usain Bolt would have been proud of.

Thank you to everyone involved in the search.

Celia & Charles Wright

Christmas Leftovers!!

I still have several items of crockery (plates and dishes) that were not collected at the end of the Christmas Party.

I will keep them here until the end of February and then I will donate them to a charity shop - so please check if you have any missing crockery and give me a call on 471 896.

Many thanks, Anthea.

Party Goers

Dear Anthea

We received a cheque from yourself today from Hinton St Mary Christmas Party for which I am emailing to thank you so very much for.

This money will go towards the costs of supporting a family in the North Dorset area. We are currently supporting 6 families in the DT10 area. Donations such as yours are fundamental to being able to support families in the local area.

Thank you for your support and hope we can continue to be part of your thoughts.

Best wishes,

Heather Stride

Get Your Free Christmas Tree for 2018 !

I have a Christmas tree, which has survived (no, thrived) at least four weeks living inside our centrally heated house as it was potted up in soil. It is now waiting for someone to give it a good home, perhaps in their garden or in a larger pot as it is now enjoying the outside with occasional sunshine and rain.

It seems a shame to send it to the recycling centre.

Give me a call or email if you would like this tree for FREE.

Village Show 2018 - Saturday 1st September

We are very pleased to confirm that the date has now been set for the Hinton St Mary Village Show.

After a period of a number of years when this hasn't been held for a variety of reasons, plans are afoot for a "New Look" event. We are very fortunate to live in a village where, even though the population is small, there is a great representation of people with an amazing diversity of skills and interests.

The Village Show presents a unique opportunity for an afternoon of bringing villagers together to not only share their interests and gain new ones, but also to have some fun whilst raising, (hopefully!) some funds for the village itself. (e.g. the Village Hall or Millennium Garden etc.)

In order to encourage a wider up-take of exhibitors, we have decided to slim down the number of competition 'classes' and also open these up to family members and friends of the village.

We are also planning to organize some games and activities to suit all ages in order to raise a smile or two.

We are not seeking to form a management committee but would certainly welcome volunteers to help support and run some of the stalls and activities.
