Village Speed Indicator Device

By the time this is published many of you will have seen the SID, which is currently sited at the Marnhull end of the B3092. The device will be routinely moved to between the Marnhull and Sturminster Newton ends of the village. Current feedback shows that it is slowing traffic down.

I would like to thank village organisations, local businesses and individuals who helped raise over £3,000, a magnificent effort for a village the size of Hinton.

Hedgehog Friendly Village

A date has been set for the second meeting with the Dorset Mammal Group to continue our journey in becoming a hedgehog friendly village. It will be in the village hall on Saturday 7th September, 10am for 10.30am start. Everyone is welcome (including children) and it doesn't matter if you couldn't make the first meeting. Entry is free, refreshments will be available and there will be a free hedgehog information pack to take home too.

I look forward to seeing you there.

Update on the 2019 'Gardens Open' Weekend

I am writing to everyone again to report on the weekend and on behalf of the PCC and congregation of St Peter's Church to thank everyone who gave their support, assistance, or opened their gardens. Our thanks in particular go to Mr & Mrs Pitt-Rivers for opening their own garden and for allowing the use of the Tithe Barn, together with our major sponsors, Harts of Stur, Symonds & Sampson, The Southern Co-operative Society and Wessex Water and all the other businesses and individuals who gave financial sponsorship and gifts.

The weather was thankfully very kind to us after much rain and wind in recent weeks and just over 600 people attended over the two days. The teas were as usual a great success and the books, "shabby chic" and plant stalls were busy with visitors buying their bargains and the tombola was very popular and consequently ran out of prizes very quickly. Once again, we were entertained with music from "Strings Attached" led by our own John Harding. New for this year was a small display of pictures and items relating to the Hinton St Mary Mosaic and a number of children enjoyed making mosaics, with prizes provided by the Blackmore Vale Arts Society.

I can confirm that on rough figures, we have exceeded our net profit after costs compared with 2017, which is amazing given the rather variable weather and the many other events going on at the same time. These funds will greatly assist in meeting the budgeted costs in the region of £16,000 required for urgent repairs needed on the Church in the next 12 months.

Finally, I would be happy to collect any garden numbers/or direction signs for reuse next time if they have not been removed already. If you have any photos taken over the weekend that you would be willing to share and could be put onto the village website.

Any comments or suggestions on how this event can be improved for 2021 (yes, we are thinking about the next one already), please contact me Shane Johnstone on 01258 474670 or send me an email johnstone.ytc@btinternet.com.

Sturminster Newton Orchestra – Summer Concert Party

Why not forget the chores for a morning and join us for a sunny (musically, anyway!) short concert on

**Saturday 20th July at 10.45 a.m. at
"The Exchange"**

Not only is the **entrance free**, but you are cordially invited to join us for a complimentary glass of wine and some nibbles after the show. Doors open at 10.30 but the Exchange is open from 9.00 so you have plenty of time to grab a coffee before the performance.

If you have never heard us before you may be pleasantly surprised at the eclectic range of pieces we play. One comment we received from a Hinton St. Mary villager who heard us for the first time was ***"Once I recovered my hearing, I realized quite how much I enjoyed the concert"***.

True, it may be worth bringing some ear-plugs this time as our 60+ piece orchestra will be performing the finale to the Tchaikovsky's 1812 Overture as well as other rousing pieces from Handel's Music for the Royal Fireworks; and to cheer everybody up a medley from "Les Misérables".

John Harding (Chairman)

p.s. has anybody got a couple of canons we could borrow for the morning?
